Hi Nick,

It was great to meet you too.

Thank you for the information about the water. We noticed the water spike but we attributed it to seasonal irrigation.

Thanks,

Good afternoon [REDACTED]

It was nice to meet you today at the SoloPower site walk through. The Portland Water Bureau notified me of an increase in the water use since LIT Industrial Limited took over the site. Please see their email below. I was just curious if the property had been used by anyone else in the last month or so? Thank you -Nick

Is the property being used by anyone else? There is quite a bit of water use since we moved in LIT Industrial Limited Partnership being billed.

Let me know.

Thanks

anna
